

Bitnami - Repositório Open Source

Link: <https://bitnami.com/stacks>

The screenshot displays the Bitnami Open Source repository interface. At the top, there are four filter buttons: "Single-Tier On the Cloud", "Docker Containers", "Kubernetes Helm charts", and "Virtual Machines On my computer". Below these is a search bar labeled "Search Application...". The main content area is a grid of application cards, each featuring a logo, the application name, a description, and a category. The cards include:

- ACME Solver**: Bitnami package for ACME Solver. Category: Certificate Authority.
- AlertManager**: Bitnami package for AlertManager. Category: Analytics.
- Apache**: Bitnami package for Apache. Category: Application Server.
- Apache Airflow**: Bitnami package for Apache Airflow. Category: Workflow.
- Apache APISIX**: Bitnami package for Apache APISIX. Category: Developer Tools.
- Apache APISIX Dashboard**: Bitnami package for Apache APISIX Dashboard. Category: Developer Tools.
- Apache APISIX Ingress Controller**: Bitnami package for Apache APISIX Ingress Controller. Category: Developer Tools.
- Apache Cassandra**: Bitnami package for Apache Cassandra. Category: NoSQL.
- Apache Exporter**: Bitnami package for Apache Exporter. Category: Analytics.
- Apache Flink**: Bitnami package for Apache Flink. Category: Developer Tools.
- Apache Kafka**: Bitnami package for Apache Kafka. Category: Infrastructure.
- Apache Solr**: Bitnami package for Apache Solr. Category: Search.
- Apache Spark**: Bitnami package for Apache Spark. Category: Machine Learning.
- Apache Superset**: Bitnami package for Apache Superset. Category: Analytics.
- Apache Tomcat**: Bitnami package for Apache Tomcat. Category: Application Server.
- Apache ZooKeeper**: Bitnami package for Apache ZooKeeper. Category: Infrastructure.
- Appsmith**: Bitnami package for Appsmith. Category: Developer Tools.
- ArangoDB**: Bitnami package for ArangoDB. Category: Infrastructure.
- ArangoDB Kubernetes Operator**: Bitnami package for ArangoDB Kubernetes Operator. Category: Infrastructure.

A button labeled "+237 More Applications" is located at the bottom right of the grid.
